

**AFFIDAVIT**

Seifert Enterprises, LLC, is the mine operator and permit holder of a type 12c construction materials surface mine operations permitted under the Division of Mining, Reclamation and Safety, State of Colorado. The mine site is located in Section 17 Township 22 North, Range 72 West, in the town of Silver Cliff, Custer County, Colorado.

Black Hill Energy owns and operates a high voltage power line which crosses the permitted land along the western boundary of the 40 acre parcel.

Seifert Enterprises, LLC, agrees to compensate Black Hills Energy for any damages to the structure(s) in question due to Seifert Enterprises operations.
