**Re: Notification to Republish Public Notice, Conversion Application (CN-1), Gold Hill Mill,
Permit No. M-1994-117**

Mr. Langenfeld:

On February 15, 2023, the Division of Reclamation, Mining and Safety (Division) reviewed the Public Notice posted in the Boulder Daily Camera for the Conversion Application for the Gold Hill Mill, File No. M-1994-117. The review determined that the notice did not conform with Hard Rock Rules 1.6.2(1)(d)(v) and 1.6.2(1)(d)(vi). These rules require the inclusion of the Division Office website address and the website address for submitting comments or objections.

Please republish your notice using the following websites:

For Rule 1.6.2(1)(d)(v) - the Office website address is <https://drms.colorado.gov/>.

For Rule 1.6.2(1)(d)(vi) – The location and final date for submitting statements, including the Office website link, of support or objections with the Office. The website address is https://dnrlaserfiche.state.co.us/Forms/DRMS_Comment.

The final date for receiving comments is the tenth (10th) day after the date of publication. As soon as you republish the public notice, please inform the Division of that date.

If you need additional information or have any questions, please contact me by telephone at **303-866-3567 x8114**, or by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
