**Re: Bowie No. 2 Mine, Permit C-1996-083,
 Review of Pond Inspection Reports and Certifications for 2022**

Dear Mr. Bear:

The Division received your four quarters of 2022 Pond Inspection Reports (certified by Tamme Bishop, P.E. No. 43402). I reviewed these reports in the context of the Regulations of the Colorado Mined Land Reclamation Board for Coal Mining, Rule 4.05.9(17). The reports are in compliance with these rules. No problems were identified.

Thank you,

Robert D. Zuber, P.E.
Environmental Protection Specialist
