**Re: Decision Date Extension Approval (FINAL), Revision No. TR131
Cresson Project, Permit No. M-1980-244**

Dear Lori Smith,

On February 20, 2023, the Division of Reclamation, Mining and Safety (Division) received your request to extend the decision date for the Technical Revision TR131 of the Cresson Project, File No. M-1980-244, to May 15, 2023. The Division hereby approves the extension request to **May 15, 2023**. Please be aware, TR131 was filed on March 24, 2022, therefore this will be the final decision date extension granted by staff.

To allow the Division appropriate time to review your adequacy review responses, please provide them no later than two weeks before the decision date (May 1, 2023).

If you have any questions, please contact me by telephone at 303-866-3567 x8132 or by email at elliott.russell@state.co.us.

Sincerely,

Elliott R. Russell
Environmental Protection Specialist
