RE: Request for Extension of Decision Date for 112 Permit Application
SITE: West Farm Reservoirs, DRMS Permit # M-2022-048

Dear Mr. Scott:

The applicant, L.G. Everist, Inc., requests to extend the decision date of the 112 Permit Application for West Farm Reservoirs, DRMS Permit # M-2022-048. The applicant would like to extend the decision date for the above-named amendment for 60 days - from February 28, 2023, to April 28, 2023.

The applicant is working on your Adequacy Review (dated 02/06/23) as quickly as possible, to address all the requirements and questions posed in the Review. We will likely get everything answered and completed way before the 60-day extension, but are just asking for this amount of time to be conservative.

If you have any questions, or need anything else regarding this extension request, please feel free to contact me (office - 303-286-2247, cell - 303-514-2778, email - lmshults@lgeverist.com). Thank you.

Sincerely,
