**Re: Second Extension Request Approval, Corrective Actions, Precious Mine NOI, Permit File No. P-2013-008**

Dear Bryant:

On February 21, 2023, the Division of Reclamation, Mining and Safety (DRMS/Division) received your request to extend the deadline for the corrective actions cited in the January 30, 2022 Corrective Actions Extension Request Approval document for the Precious Mine NOI 30 days from the original February 22, 2023 due date. **The Division hereby approves the extension request to March 22, 2023.**

If you need additional information or have any questions, please contact me by telephone at (720) 836-0967 or by email at [amber.michels@state.co.us](mailto:amber.michels@state.co.us).

Sincerely,

Amber Michels  
Environmental Protection Specialist
