RE: Final Closure of Lucky Strike-Mineral Hill Exploration P-2019-013 and request for release of Financial Warranty to CRG Mining LLC

Dear Mr. Czapl,

I am writing to request the release of the Financial Warranty currently held by the state for the Lucky Strike-Mineral Hill Exploration NOI P-2019-013 of \$15,310.00 to CRG Mining LLC. We have not performed any exploration activities since your last inspection and you will note that all drill holes were properly sealed as of 2020. We have no more intentions of drilling or prospecting on this NOI and wish to close it out.

Please let me know if you have any questions or need more data. I can be reached at 970-417-3311 or email: jwilkinson@crgmining.com

Sincerely,

Jake Wilkinson
