Dear Mr. Wein,

I have received your letter concerning bond release on some properties at the NewHorizon Mine in Nucla, Colorado. I am unable to ascertain if my property is included in your proposal. I have concerns pertaining to my property, including ditch/pipeline location and erosion. Hopefully this email will suffice for the requirement of a "written" response. I have no contact information for you except your email. Please feel free to contact me anytime.
Thank you for your consideration.

Regards,
Dirk Richards
