

Question 22.

2022 RECLAMATION MAPS

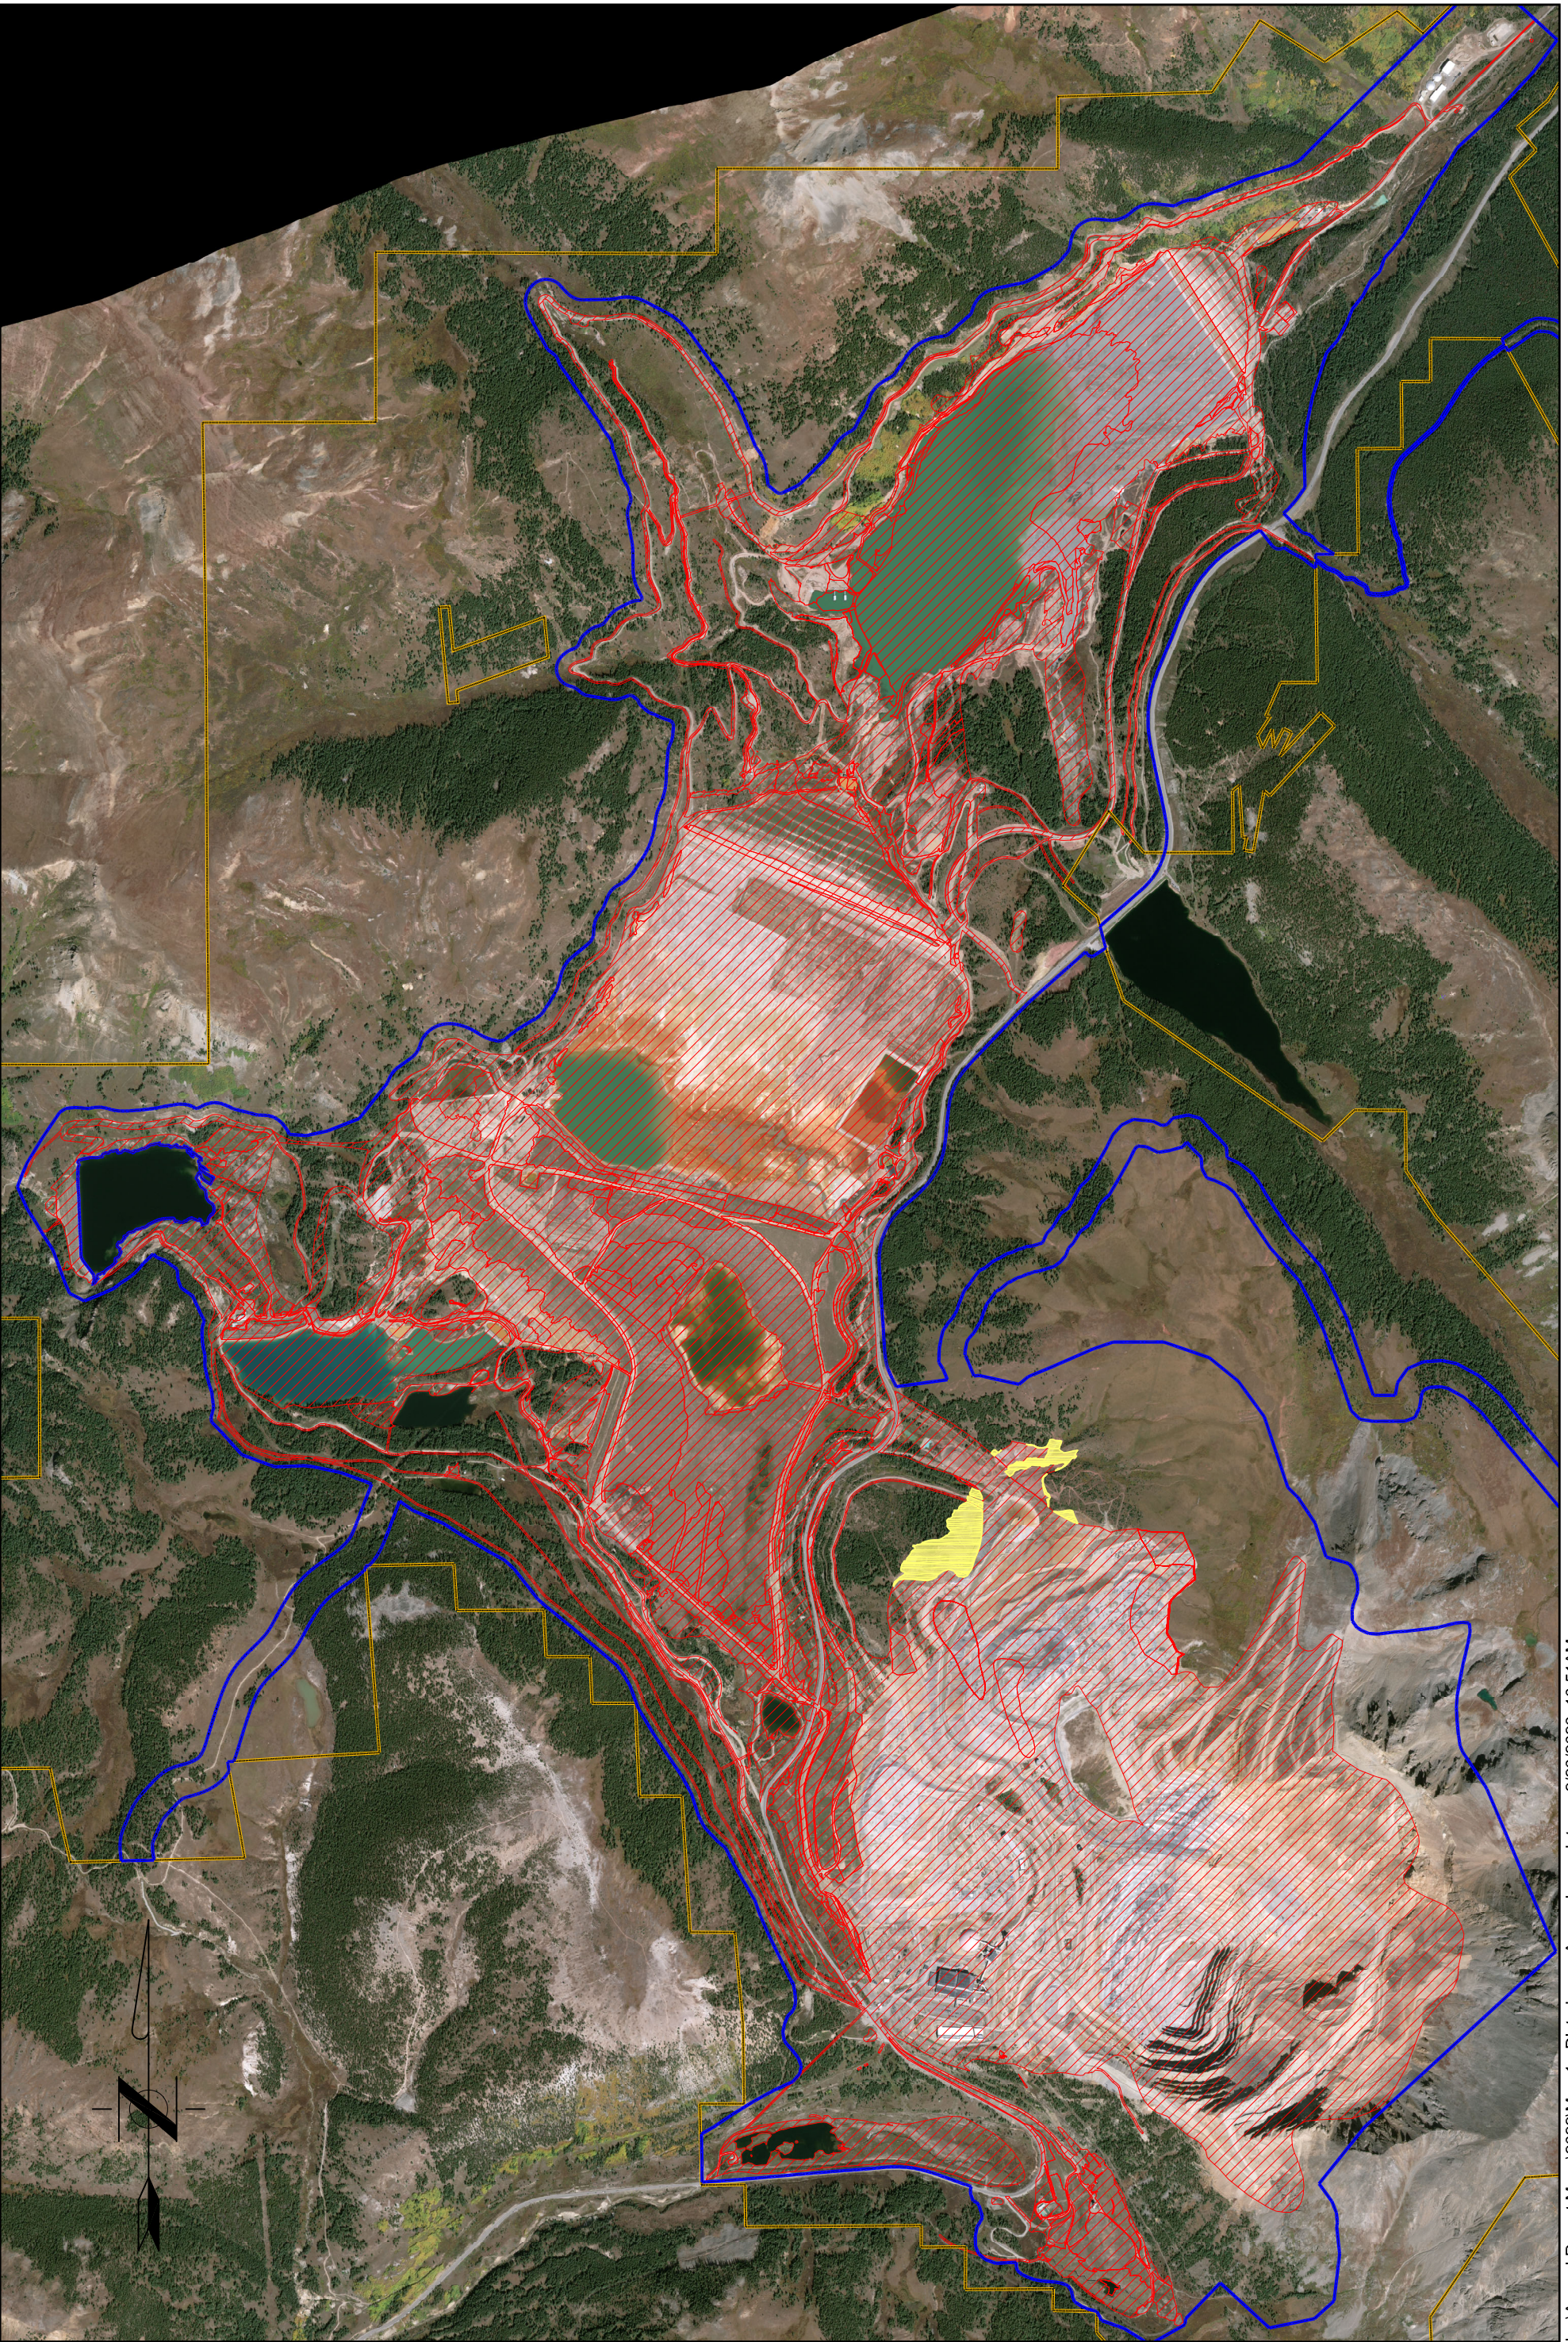

Map 1 – Depicts the permit boundary, current affected area boundary, the acreage currently affected, and any acreage disturbed in the reporting year.

Map 2 – Depicts the total acreage that has been reclaimed and the acreage where reclamation is in progress.

Map 3 – Depicts the acreage where reclamation is in progress that has been graded and/or covered with topsoil.

Map 4 – Depicts the acreage where reclamation is in progress that has been seeded, mulched, or fertilized.

Weed Control Maps – As described in question 14, maps describing where and what treatments were provided.
