Re: Revenue Mine, M-2012-032, Acceptance of Suspension of Quarterly Milling Report Request

Dear Mr. Dickerson,

On March 2, 2023 the Division of Reclamation, Mining and Safety (Division) received your request to suspend the Quarterly Milling Report as required under the conditions of approval of Amendment 2 (AM-2). The request is based on the fact that the site has been approved for a Temporary Cessation status and is not active at this time. This notice is to inform you that your request has been **accepted** and the reporting requirement is hereby suspended until such time as the Division receives a change of status notification to Active.

If you have any questions or require any additional information please feel free to contact me at the Division's Grand Junction Field Office, by phone at 303-866-3567 ext. 8187 or by email at lucas.west@state.co.us.
