Dear Party or Interested Person:

The Division of Reclamation, Mining and Safety (Division) appreciates you taking time to participate in the review process of the above referenced permit application. The application for Two Rivers Sand, Gravel and Reservoir Project was filed with the Division on April 18, 2022 by Varra Company Inc. (the applicant was subsequently changed to Raptor Materials LLC). The review period for the application is currently scheduled to close on March 31, 2023.

The application will be scheduled for consideration by the Colorado Mined Land Reclamation Board (Board) at the April 19-20, 2023 Board meeting. Official notice of the date, time, and location for the pre-hearing conference and formal Board hearing will be provided to all parties and interested persons who are receiving this notice.

An explanation of the Division's review process, your rights as either a party or non-party, and the jurisdiction of the Board is provided in a 8-page memorandum, Guide to Public Participation, last revised October 7, 2021, which is available through the Division's web site at <https://www.colorado.gov/drms>, specifically at this link: <https://drive.google.com/file/d/1bZmZjkSOM49SMgm-YD495cEcn46RfbAh/view>.
