Re: Extension Request Approval, Corrective Actions, Potts Pit #2, Permit File No. M-2006-013

Dear Ronda Neumeister,

On March 8, 2023, the Division of Reclamation, Mining and Safety (DRMS/Division) received Eastern Colorado Aggregates, R.L.L.P.'s request to extend the deadline for the corrective action "Erosion gullies and ruts were observed on-site. This is a problem at this time for failure to protect the affected land from erosion pursuant to C.R.S. 34-32.5-116(4)(j)" cited in the January 2023 inspection for the Potts Pit #2 site from the original March 9, 2023 due date to April 7, 2023. **The Division hereby approves the extension request. The new due date for this problem is set for April 7, 2023.**

If you need additional information or have any questions, please contact me by telephone at (303) 866-3567 x8137, (720) 836-0967, or by email at amber.michels@state.co.us.

Sincerely,

Amber Michels
