RE: Lascar Pit M2023-005, Second Adequacy Response

March 13, 2023

Ms. Michels,

The additional Financial Warranty has been requested and will be sent to the Division prior to the decision date so that the site is adequately bonded.

Huerfano County is not scheduled to make a final decision on the Special Use Permit until March 28th. At that time, the SUP will include the provisions for the use of Huerfano County Road 650. Siete, Inc. would like to request an extension of the decision date to March 29th so that the SUP may be forwarded to the Division to satisfy this requirement

If additional information is needed to address this adequacy review or to approve the extension request, please let me know at your earliest convenience.

Warm Regards,

Jodi Schreiber
