Supplemental Information

8. Approximately 2.6 acres is disturbed. We continued to mine deeper into the gravel until the bedrock is reached (tan). Processing is being done on the floor.
9. Approximately 0.74 acres was striped this year. The growth medium pile (0.32 ac \pm) on the west side of the mine was relocated to the west permit boundary and the newly stripped material was added to that pile. Mining will continue on the striped area this year.
10. No reclamation was called for in 2022 as the mine is in the early startup phase.
14. The Weed Works was hired to perform weed control on the disturbed areas and roadway. Spraying took place on August 11, 2022. Weed control will continue new this year.
19. The approved bond amount is \$27,000 and is adequate to reclaim the disturbance at this time.
