RE: Rifle Gravel Pit #1 File No. M-2021-052, Comments Regarding 112c Regular Construction Materials Application, Comment Received

Dear Ms. Yeldell,

After reviewing the revised material, CPW does not have any additional comments to make regarding the Rifle Gravel Pit #1. On behalf of Kirk Oldham and the regional staff, we would like to commend the project proponent for incorporating wildlife concerns into their plans addressing pond slope, reclamation plans, and post-mining land use.

Thank you for including CPW in the comment process and keeping up to date on revisions.

Sincerely,

Kirk Oldham
Area Wildlife Manager
