RE: Brown Derby Mine, Permit # M-1999-074, Request for Proof of Right of Entry

Mrs. Conrad:

It has come to the attention of the Division of Reclamation, Mining and Safety (Division) that Precious Offerings Mineral Exchange, Inc. (Operator) no longer maintains the legal right to enter the Brown Derby permit area for purposes of conducting mining and reclamation activities. If this is not the case, within 30 days, please submit to the Division documentation of Operator's legal right to enter to conduct mining and reclamation. This may include a copy of a lease, deed, abstract of title, a current tax receipt, or a signed statement by the Landowner(s) and acknowledged by a Notary Public stating that Operator has legal right to enter to conduct mining and reclamation.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dustin Czapla'.
