RE: Damage Reimbursement Agreement
Kattenburg Mine, Permit # M-2004-017

Dear Mr. Baer:

This letter is being sent to you as part of the permit transfer process that we are working through to transfer the Kattenburg Mine from ESCO Sand & Gravel, LLC to Oldcastle SW Group, Inc. dba United Companies. There is no change to the mining or reclamation plans for extraction of the material in the mine as part of the permit transfer. The mine is located on a tract of land located in the SE¼SE¼, Sec 33, T-2-N, R-76-W, 6th Prime Meridian, Grand County, Colorado.

This letter and attached Structure Agreement is being sent to you as part of the permitting process to address an MLR rule that requires the operator/permittee to pursue an agreement with owners of any structures within 200 feet of the permit area, in which the operator agrees to reimburse the structure owner for any damage done to their structure as a result of the mining operation. In lieu of obtaining an agreement, the operator can provide the state with a Geotechnical study that demonstrates that any structures within 200 feet of the permit area shall not be damaged by activities occurring at the mining operation. During the original permitting process operator completed the study as part of the planning process for this mine, and it indicates that the structures listed in this agreement will not be damaged by mining activities.

We are sending this agreement to you as required by law, but also because we wanted to inform you of all the aspects of the MLR rules and also be able to provide you assurances that should something occur that we do not foresee, Oldcastle SW Group, Inc. dba United Companies will repair or replace the damaged structure regardless of whether or not the attached agreement is signed.

Please return this agreement, signed and notarized, within 30 days of receiving it if possible. Enclosed is a stamped addressed envelope so you can return the executed agreement to us. We have enclosed a second copy of the agreement for your files. Thank you for your cooperation.

If you have any questions or need more information, please call me at (970) 376-5816.

Sincerely,
Oldcastle SW Group, Inc. dba United Companies

Jason Burkey
Environmental / Natural Resources Manager
