Good morning, Steve.

Please see attached letter asking you for a bit more information in your permit exhibits. I think we are getting close, but perhaps you should request an extension of the decision date until April 11. It probably will not take three weeks to wrap this up, but to avoid the need for other extensions I think that date makes sense.

If you want to discuss this letter, I have meetings this morning but am free this afternoon and tomorrow.

Thanks,
Rob

Steve -

I did not send this directly to Mr. Girardi. Please pass it on if you wish.
