Re: Extension Request Approval, Corrective Actions, Precious Mine NOI, Permit File No. P-2013-008

Dear Bryant:

On March 22, 2023, the Division of Reclamation, Mining and Safety (DRMS) received your request to extend the deadline for the corrective actions cited in the December, 2022 Inspection Report for the Precious Mine NOI 30 days from the March 22, 2023 due date. **The Division hereby approves the extension request to April 22, 2023.**

If you need additional information or have any questions, please contact me by telephone at (303) 866-3567 x8137, (720) 836-0967, or by email at amber.michels@state.co.us.

Sincerely,

Amber Michels
Environmental Protection Specialist
