**Re: Extension Request No.1 Approval, Response to Request for Additional Information Due Date, 2022 Annual Groundwater Monitoring Report, Knox Pit, Permit No. M-2017-036**

Mr. Niccoli:

On March 28, 2023, the Division of Reclamation, Mining and Safety (Division/DRMS) received your request to extend the due date for responding to the Division's letter, dated February 22, requesting additional information regarding the 2022 Annual Groundwater Monitoring Report at the Knox Pit, Permit File No. M-2017-036, from March 24 to March 31, 2023. **The Division hereby approves the extension request to March 31, 2023.**

If you need additional information or have any questions, please contact me by telephone at **303-866-3567 x8114**, or by email at [patrick.lennberg@state.co.us](mailto:patrick.lennberg@state.co.us).

Sincerely,

Patrick Lennberg  
Environmental Protection Specialist
