

PROFESSIONAL ENGINEER'S CERTIFICATION
I, Tonia Marie Perkins, a registered Professional Engineer
in the State of Colorado, certify that this map has been
reviewed by me and is true and correct to the best of my
knowledge and information.
Tonia Marie Perkins, CO PE No. 43564
Date _____

This map represents an approximation of post
mining topography given the current knowledge
of geologic conditions, production requirements,
mining methods, and engineering methods. Should
from the contours shown they occur, but in any
event, the post mining configuration will blend
well with the surrounding topography, and will be
suitable for the designated post mining land use.

- LEGEND
- PERMIT BOUNDARY
 - POST MINING TOPOGRAPHY and BOUNDARY
 - POST MINING DRAINAGE CHANNELS
 - MINING LIMIT (2023)

Topographic information compiled from 2017 aerial photography and December 2021 Topography from Drone surveys.
