**Subject: Request for second extension to corrective action period
Potts Pit #2 – Permit M-2006-013**

Dear Ms. Michels:

Eastern Colorado Aggregates, RLLLP (Eastern), is requesting an extension to the corrective action due dates for the items listed in your Potts Pit #2 inspection report dated January 26, 2023.

1. Cited problem #1 - The permittee/operator must provide proof of legal right to enter and conduct mining and reclamation operations with both the surface and subsurface owners as described in Rule 6.4.14
 - Eastern is currently working with the landowner and the BLM on the right of entry issue. Eastern is requesting a corrective action date of May 8th, 2023.
2. Cited problem #3 - Erosion gullies and ruts were observed on-site. This is a problem at this time for failure to protect the affected land from erosion pursuant to C.R.S. 34-32.5-116(4)(j).
 - Eastern is requesting a corrective action date of May 8th, 2023.

Eastern will continue to work on the other corrective actions cited in the inspection report. Thank you for your time in the matter.

Sincerely,
Telesto Solutions, Inc.
