City and County of Broomfield
Technical Revision (TR-7)
TR Request to discontinue monthly water level monitoring

Dear Brennan Middleton:

On April 7, 2023 the Division of Reclamation, Mining and Safety concluded its review of the Technical Revision application submitted to the Division on March 21, 2023, addressing the following:

Request to discontinue monthly water level monitoring

The decision reached by the Division is: approve. Initial request was to discontinue all monthly water level monitoring and reporting, however, CCOB has agreed to continue monthly monitoring of the wells identified during adequacy, and submit the monthly data as part of the annual report for the site.

The terms of Technical Revision No. 7 approved by the Division are hereby incorporated into Permit No. M-2003-016. All other conditions and requirements of Permit No. M-2003-016 remain in full force and effect.
