Dear Mr. Hribar,

On April 21, 2023, the Division of Reclamation, Mining and Safety (DRMS/Division) received Huerfano County's request to extend the deadline for the inspection problem "The current mine plan needs to be updated and clarified pursuant to C.R.S. 34-32.5-112 (1)(c)(VI). The operator must provide sufficient information to describe or identify how the operator intends to conduct the operation" cited in the January 2023 inspection for the Lone Tree Pit site. Huerfano County has requested a 60 day extension from the original March 10, 2023 due date to May 9, 2023. **The Division hereby approves the extension request. The new due date for this problem is set for May 9, 2023.**
