Acreage Release Request (AR-1) Issuance**

Dear Mr. Lincoln:

On March 24, 2023 the Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility, pending a 30-day appeal period. No appeal of our decision was received. As such, our decision is final. The only parcel remaining in the permit is Phase V, encompassing 24.7 acres.

If you have any questions, please contact me.

Sincerely,
