Hi Robin,

Holcim would like to request an extension to SO-1 for Pioneer Farm (M-2000-080). We are requesting this extension to May 12, 2023. While Holcim has provided the documents requested in the previous incompleteness letter, it was made known that the structure letter with IREA was not valid. Holcim would like this additional 2 weeks to acquire a valid structure agreement with IREA.

Thank you,
