**RE: Yoast Mine Permit; C1994082**  
**Review: Sediment Pond Report 2023 Q1**

Dear Ms. Kawcak:

Thank you for your submittal of the 2023 quarter one Sediment Pond Reports for the Yoast Mine. The Colorado Division of Reclamation, Mining and Safety (The Division) has reviewed the above referenced reports. The reports were received by the Division on 10 May 2023. Sediment pond inspections were conducted by Mike Howard of Seneca Coal Company. The report is in compliance with the applicable sections of Rule 4.05.9. Ponds were inspected 21 March 2022, and were ice and snow covered at the time of inspection.

No maintenance issues were noted during the inspection. All ponds hold water throughout the year. Discharging ponds comprised Pond 10 and Pond12

Thank you for the timely submission of the 2023 Q1 sediment Pond Report. DRMS has no questions or concerns at this time.

Best Regards,

Robin Reilley, M.S. GISP
