RE: MR Nick, NOI # P-2018-017, Surety Release Request (SL-01) Concurrence

Dear Mr. Czapla,

This office received your SL-01 correspondence on April 18, 2023, regarding the release of MR Ventures LLC's \$4,145.00 reclamation bond release associated with their MR Nick drilling exploration project (BLM case file # COC-79249). According to the operator the work was never completed. Site inspections in August 2021 documented that no disturbance was evident. Therefore, I concur with your findings and the reclamation bond for this NOI can be released.

Please contact field office geologist Vince Beresford at (970) 240-5333 or [vberesford@blm.gov](mailto:vberesford@blm.gov) if you have any questions.

Sincerely,

Suzanne Copping  
Field Office Manager
