RE: MR Nick, NOI # P-2018-017, Surety Release Request (SL-01), Approval

Mr. Reams:

On April 18, 2023 the Division of Reclamation, Mining and Safety (Division) received your request for release of reclamation responsibility for the above referenced site. The drilling proposed through the NOI never took place and no prospecting disturbance occurred. Therefore, the Division has approved the full surety release, SL-01, for NOI # P-2018-017. The Division received BLM concurrence with this decision on May 11, 2023.

According to Rule 1.4.11(1)(b), the Division must wait 30 days from the date of this letter, before releasing the financial warranty, in order to address any comments or objections to this decision. If you have not received the financial and performance warranties by June 12, 2023, please contact Sara Stevenson-Benn at (303) 866-3567, ext. 8148.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,
