

Dear Amy Titterington USFS and
Elliott Russell DRMS,

I Scott West Vice President of Steel Rose I, Inc.
has talked with the other stockholders that I
could get in contact with and we have come
to agree to let this mine DRMS Permit number
M-2006-031 to end. We also will forfeit
our bond so reclamation can be completed.
We would also like to get the gates and
any fencing that remains if we can. I also
have about 10 acres of reclamation grass seeds
that we will give you. Thank you.

Sincerely,

Scott West, Steel Rose I, Inc.

Scott B. West
