Hi Elliot,

I somehow still never received two of the return mail receipt but through the tracking can prove they were both delivered. Also attached is the proof of newspaper publication. Let me know if you need anything else. Also when would be a good time for the inspection?

Hello Taylor,

Can you provide me the following:

1. A screenshot of the published notice or a different version of the publication receipt as it is difficult to read the notice at its current font size.
2. A document which identifies the name and address of the two certified mailings that show being delivered but you didn't get the signature card back from? The Division will accept the delivery confirmation printouts in lieu of the signature cards, but need to know who and where tracking ending in 6784 and 6651 was sent.

Thank you and we'll be in touch soon.

Hi Elliot,
The one ending in 6785 went to Russell Painter at [1761 Pikes Peak Dr Florissant, CO 80816](#).
The tracking number ending in 6651 went to Jeffery Self at PO Box 743 Indian Hills, CO 80454.
Is there any chance we could schedule the inspection for next week?
Have a great weekend,
Taylor

Can you provide me the addresses of Russel Painter and Jeffery Self for the record? The certified mailing tracking verified these notices were delivered so you do not need to reach out to Russel or Jeffery. Thank you.

Elliot,

I can attest that 6785 was sent to Russel Painter and 6651 was sent to Jeffery Self. Both are own claims that the new road passes through. Russell will verify that he received his. Jeff is harder to get in contact with.

Thanks,
Taylor

Hey Taylor,

Thank you for the published notice.

As for contacting the post office regarding my second item, I'm not sure they will have much for you, as the name and address typically is printed on the bottom of that certified mail receipt (which is blank on the ones you attached in your first email). You may need just attest to who/where those notices were mailed to.
