**WITHDRAWAL OF REASON TO BELIEVE A VIOLATION EXISTS AND**  
**NOTICE OF BOARD HEARING**

Mr. Ross,

On May 15, 2023, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) sent you a Reason to Believe a Violation Exists and Notice of Board Hearing letter. On May 23, 2023, the Division received the required Annual Report, Map and Fee for the above referenced operation. Given this, the Division has withdrawn this item from consideration before the Mined Land Reclamation Board (Board). A hearing will no longer be held regarding this issue during the June Board meeting. Thank you for addressing this issue.
