Mr. Bishop

Hoping you and your wife are having a great Memorial Day!

We are scheduling our next blast at Red Canyon Quarry pending weather and or mechanical issues for Thursday, June 1st, 2023 between the permit hours for the operation, estimating it will be put off around noon. I will give you a call an hour before shot time so you can prepare for the blast. The shot is #7 for the year and will be a production shot on bench #4 basically in the center of that bench. Should you have any questions please feel free to contact me.

Wayne Stoughton
