**RE: Nissan Farm Resource, DRMS Permit M2003-001, Incomplete Application for Transfer of Permit and Succession of Operators (SO2)**

Mr. Oestreich:

On May 31, 2023, the Division of Reclamation, Mining and Safety received the Application Form and \$144 fee for Transfer of Mineral Permit and Succession of Operators from Bestway Concrete Company to BURNCO Colorado, LLC for Nissan Farm Resource, Permit M2003-001. The following items are incomplete for the application to be processed:

1. Pages 9 and 10 of the provided Application Form are invalid due to an error in the notary. The forms were signed by "Chris Oestreich" however the notary lists the signatory name as "Christopher Oestreich" which invalidates the forms.  
Please re-execute and re-submit original copies of these forms with consistent naming.
2. The same error is present in the notary section of the provided Performance Warranty. The form was signed by "Chris Oestreich", however, the notary lists the signatory name as "Christopher Oestreich" which invalidates the form.  
Please re-execute and re-submit original an original copy of this form with consistent naming.

Please provide the above required materials within 60 days (no later than July 25, 2023). All completed permit documents are required to be submitted for consideration of your Request for Transfer of Mineral Permit and Succession of Operators Application. If after 60 days, outstanding items remain, your application will be denied and the file terminated. The Division reserves the right to further supplement this document with additional items and details as necessary.

Please contact Eric Scott (303) 229-9414 or by email at [eric.scott@state.co.us](mailto:eric.scott@state.co.us) if you have any questions.

Sincerely,

Eric Scott, Environmental Protection Specialist
