Outstanding Bonding Requirements**

To Whom It May Concern:

I am reviewing the requirements for the above referenced Succession of Operators. Please note the outstanding documents listed below must be received in order to issue your permit:

1. An original Affidavit of Authority ("Affidavit") signed by Tad W. Edwards and notarized. The Affidavit previously submitted contained the following notary errors: Tad W. Edward's title and company were omitted. This invalidates the notary. A blank Affidavit is attached to this email for your convenience.
2. An original Financial Warranty Check for Deposit form signed by Tad W. Edwards and notarized. A copy of this form is attached to this email for your convenience.

Please send all original documents to my attention at the address on this letterhead.

Sincerely,

*Sara Stevenson-Benn*
