Hello, Bernard.

Please see attached letter. I will send an adequacy letter in the next week or so. You can check our rules to see what we require on maps. I have already mentioned Rule 6.4.6, but the detailed requirements for your maps for your DRMS permit are in Rule 6.2.1(2).

I also attached the rules for your convenience.

Regards,
Rob

**RE: Buster Quarries - File No. M-1981-107
Technical Revision (TR-1), Reclamation plan update**

Dear Mr. Buster:

Your Technical Revision application for the Buster Quarries 112c Construction Materials Reclamation Permit has been filed. All comment and review periods began on June 2, 2023, and a decision date has been set for July 3, 2023. I will soon be in touch with adequacy issues related to your submittal.

If you have any questions, please contact me by telephone at 720-601-2276, or by email at rob.zuber@state.co.us.

Sincerely,

Robert D. Zuber
Environmental Protection Specialist
