In accordance with Rule 5.8, an Annual Report and associated fee of \$86.00 must be submitted on your notice approval anniversary date (June 8) for each year following the filing of an NOI until reclamation responsibility release is granted. In addition, Rule 5.3.4 requires the prospector to notify the Division of completion of prospecting operations.

Please note, the acceptance of this NOI shall not be construed to abrogate the duty of the prospector to comply with other applicable laws or regulations, including but not limited to all federal, state, or local permits, licenses, and approvals, as well as any access agreements, as applicable to the specific operation.
