Subject: NOI Amendment

This letter is to request an amendment to our recent NOI submission. Based on our recent NOI submission, we are requesting approval only for three (3) water monitoring wells. We are requesting approval to drill water monitoring wells at the base of Canyon Creek, Imogene Creek, and Sneffels Creek. The specific locations are noted in the NOI submission. We are intending to drill and draw water samples for the end of quarter two. The remaining items requested in the NOI will be resubmitted at a later date.

Thank you for considering our request to amend.
