Dear Hunter,

After our review of the project amendment and what it entails, Colorado Parks and Wildlife has no biological concern with the implementation of the amendment to this project: Raindance Reservoir #2- File No M-2021-049. If any questions arise, feel free to contact me at lexi.hamous-miller@state.co.us or my phone number 303-916-2987. Have a great rest of your day
