Denver, Co 80203

Regarding: October 26, 2022 Inspection Report corrective action

Permittee: Whitewater Building Materials Corp.
Permit #: M-2012-024
Operation Name: Warren Pit
Anniversary Date: November 6th

The above referenced pit location was inspected on October 26, 2022 by Rob Zuber P.E.. The inspection report indicates the corrective action listed below.

Inspection Topic Hydrologic Balance: The Division has no evidence of a valid contract to fulfill the Well Permit.

Corrective action: Whitewater has not received the water contract to fulfill our well permit. Contact has been made and Whitewater is waiting for said contract.

At this time Whitewater has received a preliminary contract from the Bureau of Reclamation, however we have not been able to finalize it yet. Whitewater is asking for an extension for the corrective action needed to address this issue for an additional 30 days to secure a contract.

Sincerely

A handwritten signature in cursive script, appearing to read "Mark Gardner".
