**RE: Revenue Mine, Permit No. M-2012-032, Acknowledgment of Temporary Pause on Completion, Technical Revisions 14 and 14 (TR-14, TR-15)**

Dear Ms. Staub:

On Monday August 15, 2022 the Division of Reclamation, Mining and Safety (Division) received your request for a temporary Pause on completion of the construction of the Reagent Room, TR-14 and the final certification of the mill facility (TR-15). This notice is inform you that your request has been accepted and the construction schedule and certification process of these facilities is suspended until such time as they can be completed. In addition, the Division agrees with the remaining items to be completed for each respective Revision.

To resume the construction and certification process of these Revisions, the Operator shall notify the Division 30 days prior to the resumption of construction of each respective facility. This notification shall be in writing, outlining the remaining steps to be completed and proposing a new inspection schedule for periodic inspections.

If you require additional information, or have questions or concerns, please feel free to contact me at the Grand Junction Field Office, by phone at 303-866-3567 Ext. 8187 or by email at [lucas.west@state.co.us](mailto:lucas.west@state.co.us).

Sincerely,
