Dear Hunter,

Please find this email as formal documentation that the Successor, Corner Properties, LLC. and current permit holder, Glenn E. Sessions & Sons, Inc. request a 30 extension for the completion of the structure agreement section of the Application for Transfer of Mineral Permit and Succession of Operators. Permit M-2003-058, Fairbanks Pit.

We ask for this extension due to the fact that we are still waiting on a response from CDOT on the Structure Agreement which has been submitted.

Thank You,

Jaime Sessions & Tristan Koch
