**RE: Speer Mining Resource, Permit No. M-1983-176, Technical Revision No. 5 (TR-5) and  
Approval of Decision Date Extension**

Mr. Geras:

On June 20, 2023, the Division of Reclamation, Mining and Safety (Division) received your request to extend the decision date for Technical Revision No. 5 (TR-5) which was filed with the Division on February 22, 2023. Per your request, the Division has extended the decision date from June 22, 2023 to **September 20, 2023**. Please ensure the Division sufficient time to complete its review process by submitting any requested materials prior to the decision date.

Additionally, the Division received your request to extend the corrective action date for resolution of the right-of-entry on Mr. Crom's property and submitting a schedule for the completion of reclamation activities. The Division has extended the resolution date from June 22, 2023 to **September 20, 2023**.
