**Re: Withdrawal of Reason to Believe a Violation Exists and Notice of Board Hearing
Colorado Rose Red Pit; Permit M-1978-332**

Mr. Kay,

On June 14, 2023, the Division of Reclamation, Mining and Safety (Division/DRMS) sent you a Reason to Believe a Violation Exists and Notice of Board Hearing letter. On June 20, 2023, the Division accepted the replacement financial warranty for the above referenced operation. Given this, the Division has withdrawn this item from consideration before the Mined Land Reclamation Board (Board). Thank you for addressing this issue.

If you have any questions about this letter or the hearing, please contact Patrick Lennberg at Patrick.Lennberg@state.co.us or by phone at (303)-866-3567 ext. 8114.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
