1313 Sherman St  
Denver, CO 80203

Dear Tim Cazier,

**Reference: Pikeview Reclamation Construction Schedule**

---

Riverbend Industries, Inc. is notifying the Colorado Division of Reclamation, Mining and Safety that, we are making a change in General Contractor. As we move into the final stages of reclamation (safely pushing material down from the top), we require an alternative approach. Riverbend is in the process of selecting a new contractor, and this process is being conducted on a careful and accelerated schedule to allow the Pikeview Quarry reclamation to be completed in the fourth quarter of 2023, aligning with our original schedule. If you have any questions or would like to discuss the reclamation schedule, please do not hesitate to contact me.

Regards,

A handwritten signature in blue ink that reads "Gerald Schnabel".
