Patrick good morning.

Thank you for your response.

McAtee Construction Company DBA Simon requests an extension to the due date for incompleteness items on our transfer of Timnath Pit from Don Kehn.

We request an additional 30 days, to August 1st, 2023, we are confident we can finish the remaining items to complete the transfer process.

Thank you

Rod Havens

Good Morning,

Please find attached to this email a copy of the Division's Incompleteness Notice No. 2.

A hard copy will not be mailed unless specifically requested.

The current decision date is July 1, 2023, if an extension request is not received by that date the application will be denied and the process will have to start over.

Please let me know if you have any questions.

Thank you,

Patrick
