**Re: Extension Request Approval No. 3, SO-1 Incompleteness Due Date,
Timnath Pit, Permit No. M-1989-056**

Mr. Havens:

On June 30, 2023, the Division of Reclamation, Mining and Safety (Division/DRMS) received your request, to extend the incompleteness due date for the Succession of Operators (SO-1) from Don Kehn Construction Inc. to McAtee Construction Company for the Timnath Pit, Permit M-1989-056 from July 1 to August 1, 2023. **The Division hereby approves the extension request to August 1, 2023.**

If you need additional information or have any questions, please contact me by telephone at **303-866-3567 x8114**, or by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
