We are requesting a thirty day extension.

Please do not use baxter@kirklandconstruction.us any further but address all email to baxter@sieteinc.net. Thanks

Mr. Kirkland,

The decision date for TR-4 is next Wednesday (July 5th). State offices are closed on July 3rd and 4th for Independence Day. Even if you were to send me responses to my adequacy letter today, I will not have time to review your responses and generate an updated bond estimate before the close of business on the 5th. Please email me a request to extend the decision date, preferably to at least a week after you plan on sending your responses. If I don't get an extension request, I will be required to deny the TR and we'll have to start over on the corrective action.

Please contact me if you have any questions.

Mr. Kirkland,

Attached for your records is a copy of the subject letter. I have copied Tim Gerken as well as my supervisor, Michael Cunningham. I will be out of the office from June 19th to the 29th. If you need to discuss this TR with the DRMS during that time, please reach out to Michael.
