Since the holiday is coming can we extend it to July 16<sup>th</sup>. I think that would be plenty of time for him to get things repaired or replaced

Thank you

Nicki

Yes, of course. How long of an extension do you need?

Hi Leigh,

I just spoke with Paul Holder who does our AHR. He said his computer has crashed and got the "blue screen of death." Everything is backed up to the cloud but he isn't sure if he can get his computer repaired or replaced by the 30<sup>th</sup>. May I ask for an extension for the report due date until Paul gets his computer situation figured out?

Thanks
