Re: Irwin/Thomas Mine, Permit No. M-2016-054, Revision AR-2, Approval Letter

Dear Ms. Brunk:

On July 7, 2023, the Colorado Division of Reclamation, Mining and Safety (DRMS) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 209.3 acres, through the release of 23.54 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
